U. VA.-V. P. I. GAME.

Sports Editor.—Now that the University of Virginia has been cleared of the charge of having played a "ringer" in the recent game with the Navy, would it not be a good idea for the friends of Virginia and the V. P. I. to begin at once upon negotiations looking to a game between the teams representing these two institutions? The suggestion "at once" is made advisedly in order that neither team may later on have that same old excuse to bring forward of its being too late to arrange a game. It is generally conceded that to one of these teams properly belongs the championship of the South, in the event that Carolina defeated Thanksgiving Day; but if the supporters of Vanderbilt or Sewanee should refuse to recognize the validity of this claim, there would be left, at least, the satisfaction of seeing the championship of Virginia decided once for all.

Why should our two leading institutions continue to harbor from year to year the hard feelings occasioned by incidents long since closed? Mistakes have been made, no doubt, on both sides, together with charges and counter-charges, but why not bury past differences and in true sportsmanlike spirit get together this year and play for the championship of the State and of the South? A game could easily be arranged for the first Saturday in December, and Richmond would certainly be the most logical place in

every way for this contest to be held, being thoroughly neutral ground and undoubtedly able to furnish a record-breaking crowd. Upon a show-down of its superiority to the other two, the University of Virginia is credited with all the glory to which its record of the season has entitled it. Perhaps the influence of The Times-Dispatch would be the determining factor in bringing to pass a renewal of athletic relations between the two institutions, and thereby win for this paper the lasting gratitude of thousands of its sporting friends not only in this State, but throughout the entire South.

"INTERESTED FRIEND."

HARRIMAN STABLES FINISHED IN FRONT

BY BERT E. COLLYER.
CHICAGO, ILL., October 30.—The outstanding feature of the recent horse show held under the auspices of the Louisville association was the almost Titanic struggle for supremacy between the Harriman and Vanderbilt forces, with the small, but select stable of Harriman finishing in front. From a strictly new vantage, one savory morsel was served to the spectators in that Mr. Vanderbilt (Alfred Gwynne) contemplated following his magnificent stable at the forthcoming international show of Chicago. It is three years since the Vanderbilt horses were seen in the ring at Dexter Park, and on that occasion a considerable breath of scandal surrounded the show, it being an open secret that Mr. Vanderbilt was double-crossed, palpably inferior animals being awarded the coveted prizes. In true Vanderbiltian fashion, nothing by word of mouth or otherwise emanated from the New Yorker that would lead any one to believe he was slighted. However, the exhibits from the stable since then have been conspicuous by their absence. Little wonder, then, that the gossip was made to sit up and take notice. The outstanding victory of Mr. Vanderbilt over the Harriman forces was the defeat of Lady Dillham (Harriman) by Sir James. Lady Dillham had hitherto boasted of an unbroken list of victories, and the blow was all the more crushing to her stable. After the blue ribbon had been handed to Mr. Vanderbilt, it was announced that Lady Dillham had met with a slight accident to the high front foot which affected her somewhat, but neither Mr. Harriman nor James Donnelly, her handler, would admit it. The famous Brighton-to-London coach "Venture" and four won the Maryland cup for four-in-hand, and was one of the most spectacular rides shown. Vanderbilt entered The Youngster, Queen's Maid, Hamlet and Hertes, while Lawrence Jones, of Louisville, contested with Mr. Hickman, Mary Royal Regent and Elizabeth Allen. Judge Marshall awarded the ribbon to the New Yorker after a true battle royal.

HAMPDEN-SIDNEY DEFEATS MEDICOS

Medical College Holds Well in First Half, But Weakens in Second.

(Special to The Times-Dispatch.)
HAMPDEN-SIDNEY, October 30.—Hampden-Sidney defeated the Medical College of Virginia by the score of 11 to 0. The Doctors held well in the first half, and though the ball was in their territory most of the time, the locals were unable to score. In the second half, the home team came back strong and scored two touchdowns and, when time was called, had the ball on the visitors' five-yard line. Blanton played quarter back for Hampden-Sidney, and put up a good game. Smith and Foster also played well. The feature of the game was the successful use of the forward pass. It being worked repeatedly for good gains, and was directly responsible for the two scores. For the visitors, Willie Ivy and Ruff played a good game. Time of halves, twenty-five and twenty minutes. Umpire, Mr. Watson. Referee, Dr. Kyle.

TOMAHAWK CLUB HAS FINE DRAG

Going Fast Over Course of Eight Miles With Check Near Middle.

ORANGE, VA., October 30.—Thursday the Tomahawk Hunt Club, of Orange county, followed a wonderfully fine drag, starting at Rocklands, the estate of Thomas Atkinson, near Gordonsville.

The prolonged drought, which has parched the fields, made the scent rather difficult for the hounds to follow. However, the going was fast and long enough to test the mettle of the fine bunch of good hunters out for the run. In all, the drag must have covered a distance of eight miles, with a good check near the middle. After a fine start from the home of Mr. Atkinson, the course was laid over the lands of Messrs. Atkinson and Scott, Miss Nellie Scott, Messrs. Duncan, Newman, Walker and back to Mr. Atkinson's, where the club was delightfully entertained.

Some Good Riding.
The riding of Mrs. George Zinn, on Empress, and Miss Elise Woodruff, on Mr. Osborne's Gaitana, was easily the feature of the hunt. Green Shackelford got a rather serious cropper when his mount, Billy, galloped into a blind ditch and rolled over on his rider, who, however, pluckily remounted and finished with the hound. Bald, on Flair, steered well through a herd of cows and over a high plank fence at the finish.

Those riding were Wallace Sanford, M. P. H., on the Roman; Thomas Atkinson, Jr., on Gaitana; V. R. Shackelford, on Northwood; W. B. McComb, on Lightfoot; Mrs. Zinn, on Empress; Miss Elise Woodruff, on Gaitana; H. O. Shackelford, on Billy; August Wambler, on Moonshine; F. G. Scott, on Bear; Ronald Bald, on Flair; Jack Woodruff, on Brown Cap; H. O. Lyne, on Jack Patton.

Among those who attended the hunt were Colonel and Mrs. Alexander Cameron, Mrs. Frank Nalle, Mrs. J. B. McComb, Mrs. H. O. Lyne, Mrs. Wallace Sanford, Mr. and Mrs. V. R. Shackelford, Miss Elise Woodruff, Misses Cameron, Peachy Lyne, Cathleen Newman, Bettie Woodruff, Eleanor Nalle, and S. R. Lightfoot, Manly Carter, Ruben M. Newman and others.

KESWICK HOUNDS HAVE FIRST RUN

(Special to The Times-Dispatch.)
KESWICK, VA., October 30.—The first run of the Keswick hounds for the season of 1906-1907 was pulled off last evening with a good field out. The meet was at the colored school-house, and the run was over Montevue, through to Tall Oaks, and the finish at Sleepy Hollow. The riders were:

Julian Morris, M. F. H., on Gloverville; Dr. Thurman, on Thunderbolt; Jennings Wise, of Richmond, on Blue Nose, a magnificent thoroughbred, formerly the property of Mrs. Reginald Brooks; Arthur White, on a green one; G. Gordon Massey, on Abasco; Mrs. William Pitts, on Tattail; Mrs. Murray Boeck, on Granite; Mrs. Julian Morris, on Lady Sanford; Mrs. Herbert Joslin, on Princess; Tipper Morris, on Fitts.

After the run a hunt breakfast was served at the clubhouse at the instance of Mr. and Mrs. H. E. Magruder. Among the out-of-town guests were Mr. and Mrs. Todd, of Richmond, and Mr. and Mrs. Bates, of New York, who are guests at Castalia, the home of the Boecks.

CHARLES TAFT MAKES PEACE

Differences Between Murphy, of Chicago Cubs, and National Commission Fixed.

CINCINNATI, Oct. 30.—All the differences existing between President Charles W. Murphy, of the Chicago Cubs, and Chairman August Herrmann, of the national commission, have been smoothed over by the diplomacy of Charles F. Taft. While Murphy claims to own 53 per cent of the Chicago club, yet Mr. Taft still retains a 25 per cent interest. Therefore, when the dispute between Murphy and Herrmann over the purchase of Pfeffer, of the Toronto club, and Cole, of the Bay City club, by Herrmann, became so acute that the national commission criticized Murphy in strong language, Mr. Taft arranged to have a conference in his office here. The Chicago magnate and Herrmann shook hands and renewed old friendships as a result of the meeting. However, the fine line drawn by the national commission against the Chicago club over the

GREAT PUNTING DUEL.

Fitts, of Amherst, Holds His Own With Coy, of Yale, for Most of the Game.

NEW HAVEN, CONN., October 30.—In a game which was very interesting in spite of the score, the Yale football team defeated the Amherst eleven by the score of 24 to 0 this afternoon.

The Yale goal line was threatened twice, through penalties which were heavy for Yale in the first half. It was a great punting contest for a long time between Fitts and Coy, with Coy scarcely excelling the less experienced man, but after a while Fitts tired and Coy kept up in his old-time form.

Keene's Coronet Wins.
FOLKSTON, ENG., October 30.—The Moderate two-year-old place of 100 sovereigns, distance five furlongs, was won by J. R. Keene's Coronet. The Wile was second and Prairie Fire third. Twelve horses ran.

Sample Cures Woman's Weak Bowels

During the past year thousands of women have been relieved of bowel trouble by the use of a free sample. But they told others of their success, and in this way the sale of the remedy has been greatly increased. If you will read the testimonials printed you will see the good work being done. But better than to read the testimonials, and vastly more convincing, is to send for a free bottle of this same remedy—

Dr. Caldwell's Syrup Pepsin

It is the ideal cure for women suffering from constipation, indigestion, liver trouble, sick headache, sour stomach and similar stomach, liver and bowel complaints. It is a mild, pleasant, non-gripping remedy, especially suited to the needs of women, children and old people. The entire family can use it, and those who have been accustomed to cathartic pills and salts will never use them again after using Dr. Caldwell's Syrup Pepsin. The best way to test it is to send the doctor your name and address for a free sample bottle, and then, when assured it is the remedy you need, buy it in the regular way of your druggist at fifty cents and one dollar a bottle. Thousands of women buy the one dollar size for general use, and hundreds write they would not be without it. Read the letters of praise and you will be convinced that there is a remedy that regulates the bowels in a gentle but none the less sure way. Give it a trial.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample I bought more Syrup Pepsin, and it is the best I have ever tried. I have bought several bottles, and it has done me so much good.—MRS. L. DAVIS, 187 W. Harrison, Chicago, Ill.

Many thanks to you and your Syrup Pepsin.
MRS. LOUISA RICHARDS,
323 N. Notre Dame St., South Bend, Ind.

I want to thank you and your Syrup Pepsin for the good it has done me. I was so constipated and had to take pills every night, and my daughter, Mrs. Culler, told me to take Syrup Pepsin, and I did, and find it just the thing I need. I cannot praise Dr. Caldwell's Syrup Pepsin enough.

NEITHER TEAM SCORED.

Eleven of the First Virginia Regiment and the Medical College of Virginia contested at football to a 0 to 0 score at Byrd Park yesterday afternoon. The advantage in both halves favored the Regiment, and at each blow of the whistle the ball was within ten yards of the end zone. One week ago the medical men played William and Mary and lost by one touchdown. Bugg and Blunt played the best game for the Regiment, while Koonis, who did the kicking for the Doctors, was their best player. The line-up:

Regiment	Position	College
Meyer	left end	Respass
Kinkor	left tackle	Davis
Lothner	center	DeWitt
Kelly	left guard	Nance
Layne	center	Carter
Campbell	right tackle	Blanton
Murphy	right end	Ross
West	quarter back	Koonis
Blunt	left half back	Harris
Caulder	right half back	Clarke
Bugg	full back	Boyer
		(Davis)

The Regiment plays Chestnut Hill next Saturday at 4 o'clock.

HOWITZERS VICTORIOUS.

The Richmond Howitzers' eleven defeated the Manchester team at Byrd Park yesterday in two fifteen minutes' halves by a score of 11 to 0. From the beginning to the end the twenty-two men fought desperately, and the game was a pretty exhibition. The only unpleasantness arose from the accusation of the Howitzers that the Manchester team played Murphy, Wheat and McFarlane, three stars, who have been seen in Tiger uniforms. Griffith and Davis played the best ball for the Manchester team and kept the score down. Lutz, Baken and Tillery did most of the ground gaining for the soldiers. Nichol at quarter also did good work. The line-up:

Manchester	Position	Howitzers
Denkins	right end	Koonis
Owen	right tackle	Horton
Dummy	center	Seay
Cowardin	left guard	Allegro (Hall)
Thomas	left tackle	DeWitt
McFarlane	left end	Blaugher
Perkins	quarter back	Nichol
Whitman	right half back	Tillery
Murphy	right half back	Lutz
Griffith	full back	Clarke

Big Bill Raiser and Little Raisers

Many people do not stop to think of the many reasons why their light bills are higher in the winter months than in the summer. Long evenings is the principal reason; but there are many others; for instance, you are in doors earlier spending long evenings in the many delightful ways that winter brings. This means that you light more lights, and burn them longer. And if you get up early in the morning, you have lights. These lights are what goes a long way towards making life worth living; and every doctor will tell you that bright light pro-

mote health by banishing dreary dullness and brings cheer. It may be that you are using more lights than you need to. This is a question that should look well into. Avoid using lights when they are not needed, so that you will feel more free to use them in the gloaming times, when you have friends around you, or when the children want to play. Among the principal causes which make your light bills increase, is that there are more and longer evenings spent at home; more evening entertainments; this necessitates more rooms being lighted.
